

Oceanis 60 En Voyage

The background features several layers of wavy, horizontal lines in various shades of blue, ranging from light to dark. These lines create a sense of movement and depth, flowing across the page from left to right.

Oceanis 60 En Voyage

Le nouveau croiseur amiral signé Oceanis a toutes les caractéristiques d'un chef d'oeuvre : une allure majestueuse, un cockpit exceptionnel et un confort à bord sans égal, en voyage comme en mouillage.

Avec ses 130 ans d'innovation permanente, le chantier Beneteau réaffirme sa vocation marine et ouvre, encore une fois, des nouveaux horizons à la croisière.
